ED FRINGE REVIEW

DOCTOR BONK'S MACARBARET!

Scotland's silliest surgeon, Dr. Bonk, presents the Macarbaret: an evening of drag, burlesque, music, comedy, and medical mayhem, starring the not-so-good doctor and an all-sorts assortment of spooky performers! There'll be laughs and scares galore as anything goes in this madcap hour of madness!

From the mind of critically acclaimed comedian Elliott Simpson comes this new nightmarish masterpiece! After a successful SOLD OUT run at the 2022 Edinburgh Horror Festival, Dr. Bonk has now set his sights on the Edinburgh Fringe with a whole new host of horrors to play with!

Join the undead plague Doctor, Dr. Bonk, his unseen ghostly narrator, and his sinister selection of spine-chilling acts! Every night the mad Doctor unveils 4 new all different performers. They'll make you laugh, cry, scream and laugh again, often all at once. Expect the unexpected, and come on in. The Doctor will see you now!
