

PRESS RELEASE: BRIGHTON FRINGE 2024

Sully O'Sullivan:

A Complete Idiot's Guide to New Zealand

MAY 18, 19, 25, 26 (15:15)

It's the most international comedy show coming to this year's Brighton Fringe; 'A Complete Idiot's Guide to New Zealand' was written in the world's southern most capital city, debuted at the Reykjavik Fringe in Iceland, and after a sellout 24 date run at Scotland's Edinburgh Fringe, is coming to Brighton for just 4 shows.

In this insider's guide to his eccentric homeland, award-winning Kiwi comedian Sully O'Sullivan answers all the questions about New Zealand you didn't know to ask in the first place....

Like why did we almost change our national flag to a drawing of a bird with lasers for eyes?

Are Kiwi Fruit really just Chinese Gooseberries in witness protection?

Is Taumatawhakatangihangakoauauotamateapokaiwhenuakitanatahu honestly the longest place-name in the world? Or did my cat just walk across my keyboard?

And where actually is New Zealand?.... Given we keep getting left off some seriously important maps.

Find out the answers to these questions and more, all wrapped in an hour of 'Quintessentially Kiwi comedy' (*NZ Herald*).
