Please see my press release below

**9/11 SURVIVOR AND DARK NEW YORK STAND-UP COMEDIAN SOFIA MAY BRINGS HER
GRUESOMELY HILARIOUS SOLO SHOW TO THE EDINBURGH FRINGE FESTIVAL**

July 31 - August 24 2025, for immediate release

"— and Sofia May, whose charming stage presence suggests the most potential."

— *The Guardian*

New York-born comedian and 9/11 survivor **Sofia May** brings her brutally funny, deeply twisted, and oddly delightful stand-up hour to Edinburgh for the first time, following her highly regarded split bill B*tch Circle at the 2024 Edinburgh Fringe and a fast-rising career in Berlin, Germany's comedy scene.

"You're really good. You're really really good and really really dark"

— *James Garner - Chuckl. Comedy Club UK*

Where were you on 9/11? Sofia was running—literally—from the collapsing World Trade Center just outside her downtown Manhattan school. Two decades and a whole lot of therapy later, she's ready to joke about it.

In her very dark stand-up comedy solo hour, Sofia leads audiences through the bizarre and often hilariously uncomfortable realities of surviving a major terrorist attack as a tween. But it doesn't stop there—if 9/11 isn't your preferred flavor of catastrophe, Sofia also serves up jokes on other absurd and dark topics, all with a mischievous grin and unsettling innocence.
