

## MaestroClass

**Dates:** 1<sup>st</sup>-24<sup>th</sup> August 2025 (not 15,16,17th)

**Time:** 01:00 AM (45 minutes)

**Venue:** The Counting House – The Lounge.

MaestroClass follows clown character Maestro as he leads the audience in a 45 minute MaestroClass. Following grandiose introductions, we go through the necessary warmup exercises and vocal exercises before hitting our main goal.

What is our main goal? That is something we will have to find out together. The show combines clown comedy with audience interaction and participation, through games and play which influences the outcome of the class. A teacher is only as good as their students, after all. Heavily inspired by the teachings of clown master Philippe Gaulier, Maestro will work on what is beautiful within you. And, as he puts it:

**“Unleash your inner virtuoso!”**

**About the Performer** Karl Magnus Moshuus is a Norwegian actor, clown, and performer based in Oslo. From discovering his clown at acting school to producing and performing in clown speedfriending shows, Karl is an active force in Norway’s thriving clown community.
